Votre location / Your rental

Large luxury villa with 5 air-conditioned rooms located in the town of Saint-François in Guadeloupe.

We love the villa d'hôte concept including breakfast every morning in the pool house by the pool, as well as a daily cleaning service.

It is also possible to order extra meals for your evenings. The house is built around the pool area and terrace. In the center of the house, there is a nice fully equipped kitchen and a living room with a connected TV and a pool table area.

The night space is divided into two wings on either side of the house. You will have five air-conditioned bedrooms all equipped with a connected TV and 4 bathrooms (one with a nice bathtub). Two of the five bedrooms share a bathroom.

The beautiful terrace has a beautiful wooden dining table, a barbecue, an outdoor sitting area, sunbeds by the pool, an outdoor kitchen in the pool house, swings, and a petanque court.

This villa is located only 5 minutes from the town of Saint-François, the Raisins Clairs beach, the Marina and all amenities
