Located on the east coast of Martinique, the 6-bedroom villa accommodates 12 travelers. Facing the sea, with a pontoon to access it, this property is ideal for a stay with family or friends in the south-central basin of Martinique.

The brand-new villa is laid out over two identically configured floors, with three bedrooms and two bathrooms.

On the first floor is a large terrace that announces the theme of the stay: calm and convivial. There's a breathtaking view of the sea and an infinity pool to enjoy. The terrace includes a sitting area and a dining area with a large table.

Inside, you'll discover an open-plan space sharing the fully-equipped kitchen, dining room and indoor living room with a smart TV (netflix access) in front of a comfortable sofa. The kitchen leads to the laundry room, where you'll find a washing machine, freezer and tumble dryer.

Extending from this space are 3 bedrooms, one of which has a private bathroom. The other two share a separate bathroom and boast magnificent sea views.

From the same hallway, take the stairs to the first floor, where you'll find the same layout for the three additional bedrooms. A little extra: the two sea-view bedrooms have balconies so you can take full advantage of the sea air.
