Martinique - Duplex - 2 bedrooms in the heart of Grand Rivière

In the heart of Grand Rivière, close to the beach and the river

This duplex is in the heart of the town centre of Grand Rivière. Entirely renovated and tastefully decorated by the owners, this duplex can accommodate up to 6 people. It is composed of a large living room with sofa bed, a kitchen, 2 bedrooms and a bathroom. Ideally located for a nature stay, you will find a multitude of walks nearby. Less than 300 meters from the accommodation is also the Sinai beach with its black sand and emerald waters.

Located in the north east of Martinique, we often consider this town as the end of the world. And yet this commune abounds in riches. Indeed, Grand Rivière is one of the rare communes of Martinique where you can take a sea bath but also a river bath. But that's not all! For nature lovers, Grand Rivière is the starting point for activities such as canyoning or hiking. Finally, Martinique's gastronomy and heritage is in the spotlight there with the table "Chez Tante Arlette", an exceptional seaside ice cream parlour and nearby the distillery of the famous JM rum.
