## Votre location / Your rental

This holiday rental is a "bas de villa" with a private entrance (the owner lives above) located in the town of Le Marin, halfway between the Caribbean coast and the Atlantic coast of the island. It can accommodate up to 5 people and has a triple bedroom (a bed of 140 and a bed of 90) and a master suite (with a bed of 140) both air-conditioned with their adjoining bathrooms.

Its private parking allows to park easily 2 vehicles. The covered terrace equipped with a sofa and a table that can accommodate 6 people, will allow you to spend convivial moments in complete privacy. Also you will be able to enjoy moments of relaxation in the plunge pool of 2x2m located on the terrace and benefit from an unobstructed view on the surrounding countryside and the sea. The center of Le Marin is located at about ten minutes by car from the villa.

You will find shops and many restaurants (Zanzibar, Ti Toques, l'Annexe...) and bars (KokoaRum...) near the marina. At the marina, you can also go on excursions (diving, day trip to discover Saint Lucia, excursion in a glass-bottomed boat), rent a BBQ boat to have a barbecue in the open sea, rent a car or electric bikes with WATT UP.

The geolocation of this accommodation will also allow you to easily reach the south of the island between the Atlantic coast and the Caribbean coast. You will be able to easily go to the beaches of the extreme south like the Salines or the Pointe Marin lined with restaurants, or to the kitesurfing spot of the Pointe Faula in Vauclin.

In terms of hiking, you will have the choice between the beaten paths of the "ronde des Caps" (33 kms) or the ascent of the mountain of Vauclin (8 kms) from where you will be able to admire magnificent landscapes.
