Votre location / Your rental

This holiday rental is a lower villa with independent entrance (the owner lives above) located in the town of Le Marin, halfway between the Caribbean coast and the Atlantic coast of the island.

In a modern and design style mixing wood and metal, the suites of this rental have each one of the air-conditioning, a suspended bed 140x190cm and their own bathroom with shower and WC. An additional bed of 90cm in the corridor, allows to have a total capacity of reception of 5 people (not air-conditioned space).

Its private parking allows to park easily 3 vehicles.

The covered terrace of 24m² is equipped with a suspended table of 6 places, a large wooden bench and a swing. In the extension of this 24m² terrace, the deck where the punch bowl of 3x3m is located, has a small garden furniture from which you can contemplate a superb sea view.

The center of Le Marin is located at about ten minutes by car from the villa.

You will find shops and many restaurants (Zanzibar, Ti Toques, l'Annexe...) and bars (KokoaRum...) near the marina. At the marina, you can also go on excursions (diving, day trip to discover Saint Lucia, excursion in a glass-bottomed boat) or rent a BBQ boat to have a barbecue in the open sea.

The geolocation of this accommodation will also allow you to easily reach the south of the island between the Atlantic coast and the Caribbean coast. You will be able to easily go to the beaches of the extreme south like the Salines or the Pointe Marin lined with restaurants, or to the kitesurfing spot of the Pointe Faula in Vauclin.

In terms of hiking, you will have the choice between the beaten paths of the "ronde des Caps" (33 kms) or the ascent of the mountain of Vauclin (8 kms) from where you will be able to admire magnificent landscapes.
