Martinique - Waterfront villa - 2 bedrooms
Quiet villa with boat dock

This vacation home is a true haven of peace. Located at the tip of Pointe La Rose in Le Robert, this villa has 2 air-conditioned bedrooms (mosquito nets over the beds) and a bathroom with shower and toilet. The owners, Jean Pierre and Julie, live on the same plot (the entrance is on the shared plot, but the two houses are independent and not overlooked, thanks to view-breakers). At the end of the garden, the owners have built a pontoon for quick access to the sea. On the terrace, you can enjoy breakfast overlooking the turquoise waters of the Baie du François. If you're looking for a quiet, authentic stay, you've come to the right place! Please note that a car is essential, as the cottage is located at the tip of Pointe La Rose, so you'll need a car to do your shopping or go to the beach.

Le Robert is located on the Atlantic coast of Martinique. A true fishing village, it is renowned for its islets. You'll find various service providers to help you discover them: ilet Chancel with its iguanas, ilet Madame, ilet Oscar and the Trapèze bathtub, famous for ti-punches in turquoise waters. Le Robert also abounds in small restaurants. Our secret? Fruity Boul in the town center, specializing in sorbets and ice creams made with local produce.
