Votre location / Your rental

This magnificent villa is located in the town of Saint-Pierre, on the North Caribbean coast of Martinique. It has an infinity pool. You have direct access to the sea and a pebble beach from the villa. What could be better than having an aperitif on the outside terrace with sea view, at sunset? You might be lucky enough to watch turtles laying their eggs or see dolphins from the terrace!

The has three double air-conditioned rooms. It can therefore accommodate up to six travelers. Each of the rooms has its own bathroom and thus guarantees total privacy to each traveler.

Nothing is missing in this exceptional villa: barbecue in the garden, ice machine in the refrigerator, blender, hi-fi system, deck chairs, beach towels....

A large and bright living room with lounge and American style kitchen opens onto a terrace with an infinity pool, deck chairs, barbecue... and direct access to the sea and a pebble beach (with a little grey sand but mainly pebbles). What more could you ask for ?

For safety reasons (proximity to the sea) the accommodation is more suitable for adults (+16 years old)
