Superb villa with a large capacity, which can accommodate up to 12 people. It revolves around two large living spaces. This villa is actually made up of two houses. Each villa has three bedrooms, a living room, a bathroom, a kitchen and a patio for dining. The decoration is contemporary and nothing is missing for a successful holiday! Ideal for large groups, you can live there as a group while having your moments of intimacy. The large swimming pool is undeniably the strong point of this villa. In addition, just a few minutes by car, you reach the most beautiful beaches in the south of Martinique, in particular the Anse Michel beach where we recommend you have lunch at the Petit Cocotier, a restaurant feet in the sand where you can have very good local food.
