Martinique - Luxury Villas - 4 bedrooms with private pontoon

Superb property ideally located, perfectly equipped for a dream stay.

This place of exception shelters a magnificent villa. Ideally located in the heart of the Pointe du Bout, the beaches and the animations of the seaside resort are less than 100 meters away while remaining calm. On one side of the villa, you will be able to fully enjoy its private and secured swimming pool. On the other, a vast garden (with lots of coconut trees!) will allow you to access the private pontoon and the white background of the domain. Several terraces will allow you either to sunbathe in the shade or to sip your ti-punch in the shade, rocked by the trade winds.

Nearby, a multitude of activities are offered to you. La Pointe du bout is the most dynamic seaside resort with its white sandy beaches, its kite surfing spot and the Creole village offering a varied choice of bars, restaurants and stores. From the Anse Mitan beach, you will easily reach the center of Fort-de-France thanks to the shuttle boats. Golfers will have noticed the presence of an 18-hole golf course.
