## Votre location / Your rental

This villa is an elegant contemporary villa, located in one of the most sought-after communes in the south of the island, Les Trois-Îlets. Nestled in a tranquil residential neighborhood, this luxury villa offers 2 bedrooms and 2 bathrooms, and can comfortably accommodate up to 4 people.

With its unique charm, this delightful home features an interior where African, Amerindian, and Creole influences blend harmoniously. This vacation home includes a magnificent pool secured by an alarm. It benefits from an ideal location, about 5 minutes by car from the center of Les Trois-Îlets, where you will find various services such as a bakery, a convenience store, a pharmacy, and a gas station.

This superb vacation home offers indoor parking for 2 vehicles, with additional spaces available on the street below. It is protected by an electric gate. It is also possible to rent this villa in a 5-bedroom version (contact us if needed!).

When renting the two-bedroom format, only the ground floor is accessible, while the upper floor remains closed and unoccupied. On the ground floor, you will have access to two air-conditioned suites. The first suite has two 90 cm beds that can be joined to form a king-size bed, a bathroom with shower and toilet, a dressing room, and a view of the pool. The second suite includes a 180x200 cm bed, a bathroom with shower, bathtub, and toilet, a television, a desk, and a dressing room. The living area is bright and fully open, with a living room equipped with a 65-inch television with the Canal Sat package and a kitchen opening directly onto the terrace with the pool. The transition between indoor and outdoor spaces is seamless! The kitchen is perfectly equipped for your culinary activities, with basic equipment, a wine cellar, a blender, and an ice machine.

The villa is located just 450 meters from the small Trois Îlets Village shopping center, where you will find around twenty shops and services such as a wine cellar, a cheesemonger, a bakery, a bar-tabac, and a butcher. The center of Les Trois-Îlets is about 900 meters from the villa, offering a market, pizzas at Gallo Rosso, and the possibility of taking the tropical shuttle boats to reach Pointe du Bout or Fort-de-France.

Several points of interest are located within a 10-minute drive from the villa. Among them, don't miss the Savane des

Esclaves, a superb site combining botany and history, the Maison de la Canne, or the Forêt Vatable for picturesque hikes. The village of La Poterie, 7 minutes away by car, offers several restaurants, a karting circuit, souvenir shops, a soap factory, and a potter. It is also an excellent starting point for a kayak tour through the mangrove.

Finally, the villa is 9 minutes from Pointe du Bout, where you will find several white sand beaches, a casino, bars, restaurants, and numerous water activities such as jet skiing, paddleboarding, tubing, and diving. On the way to Pointe du Bout, you will pass a golf course and a ranch offering horseback rides through the woods. The surroundings of the villa are rich in varied activities!
