Votre location / Your rental

The cottage is located on the same estate as another villa (a 3 bedroom villa). Both vacation homes have the same access gate, but are independent from each other (terrace and private pool). The garden below and the access to the pond are shared.

The cottage has a capacity of 4 travelers. It consists of a living room with a dining table for 4 people. On either side of the living room are the two double bedrooms with air conditioning. Inside the cottage there is also a separate toilet and a bathroom with shower and toilet, double sink. Outside, a covered terrace consists of an outdoor kitchen and a sitting area with garden furniture (sofa and armchairs). In the extension of this space is a terrace (not covered) with a punch bowl (3m * 4m) as well as a space to sunbathe (2 deckchairs). A large garden invites you to relax. The domain is bordered by a beautiful wooded area with a pond below bordered by banana plantations.

The cottage is ideal for a family stay. The area is residential and the domain has a very nice garden space, which is rare in residential areas.

The town of Le Vauclin is only 5 minutes away by car. You will find there all the conveniences (gasoline, bank, pharmacy, bakery, supermarket...). The fish market in front of the sea is well stocked, not to be missed for your barbecues!

The nearest beach is the one of the Pointe Faula. You will find a nautical base offering kitesurfing lessons and equipment rental as well as several beach restaurants. Many restaurants are also located at the marina du marin (about 20 minutes by car)

The beaches of the south are accessible in about 30 minutes (plage des salines, pointe marin, anse michel, cap macré, anse grosse roche...)

Other activities not to be missed:

- For families, a tree climbing park is located two minutes away from the cottage by car
- the hike of the mountain of Vauclin
- the discovery of the mangrove by kayak with transparent glass bottom

- the garden of the mountain (botanical garden)
- the Clément house (distillery, museum of contemporary arts...)
- boat trip from the marina of François to discover the white bottom
