Travel out of time in a unique setting close to the superb beaches of Vauclin

Located less than 10 minutes from the turquoise waters and white backgrounds of Pointe Faula, this villa takes you into its green setting. Composed of 3 bedrooms with private bathrooms, the owners have used a subtle blend of tradition and modernity that will not leave you indifferent. Outside, take advantage of its "professional" barbecue, its magnificent carpet of traditional design to protect you from the sun's rays, its private swimming pool and its vast half-hectare property. At the end of the garden, from the private pontoon on the lake, escape while contemplating the sumptuous landscapes and the fish that make it charming.

World famous for its exceptional kite surf spot, the Vauclin will surprise you with its diversity. Pointe Faula is the ideal place to take a bath in turquoise waters, enjoy the white backgrounds and to eat in the beach huts. Vauclin is also famous for its fishing port. Every morning, take advantage of lobsters and fresh fish to organize your barbecues. In the heart of this town, facing the sea, discover its traditional market with its local fruits and vegetables.

A second bungalow is located on the same lot as the Colibri villa. It is a two bedroom cottage. Each location has its own pool and terrace, there is no vis à vis between the two homes from the terraces facing the garden. Only the entrance gate is common, as well as the vast garden below (with access to the pond).
